The coming weeks...

We have many exciting things planned for the next few weeks including Reception Aspire Games, Year 5&6 residential, sports day, Attenborough's trip (details TBC). Please keep an eye on all of our emails as they contain important information.

This half term's value – COURAGE

This term we are talking all things courage! We were very inspired last week by 10 year old Joseph Wang who 'found his brave' after moving from China to the UK. He talks about courage being something to embrace and without putting ourselves out there we won't grow as people. Do have a watch, the children were truly captivated by him!

We channeled that this week at the beach by taking part in body boarding or surfing, plus paddling that bit deeper whilst taking a deep breath and going for it. We were very proud of the children!

Wild Tribe

Mrs Webb is away with the Y5 & 6 Residential next week so Attenborough class will not have Wild Tribe on Wednesday.
