Head of School Message

A huge well done to all the children for their achievements on Thursday afternoon's Sports Day. It was wonderful to see every child in school from Nursery to Y6 joining in, trying their very best and enjoying themselves. The lovely connections between all age groups in school was really evident and the level of care the children show to one another is heart-warming. Thank you for coming along and supporting the children, it was fantastic to see so many of you there and to be together as a community. Our thanks also go to Mrs Dart and Miss Lucas for their work in putting the Sports Day together and running the event which went very smoothly.

The PTA event was a great hit; our thanks go to all the members for their hard work in putting the event together. The children had a fantastic time and were able to cool down in the water fun!

We had a brilliant response to our Pupil Leadership applications, receiving 32 in total! Children have received a letter today letting them know their new role. I will be meeting with each team next week to talk about their 'jobs'.

We have an exciting development happening in school – our library space is being combined with our wellbeing space and refurbished to create a wonderfully calm and inspiring reading space for all year groups to enjoy. Our Reading Leaders will be involved in this project next week, choosing some lovely new books which the PTA will be helping to fund.

Have a lovely weekend and stay cool!

Mrs Mould

Great fun was had with the water balls and soakers after sports day yesterday.
