

Warbstow Primary Academy and Nursery

Small and mighty is the Warbstow Way

NEWSLETTER 25 Friday 22nd March 2024

Dear Parents and Carers,

Can you believe this is the penultimate week of the Spring term? Our days packed full of learning just fly by! Our curious curriculum enquires are drawing to a close, leaving display boards and books packed full of super learning. This week we have been putting the finishing touches to our new enquires ready for the start of next term. Our focus becomes a geography one. Watch out for the overviews that will come home when we return to school after the break.

Next week brings our famous Egg Roll to the playground, there has to be an advantage to a sloping playground – rolling an egg down it for Easter. For all of our new families this is a hotly contested event – we ask each child to hard boil and decorate an egg ready to be rolled down the playground with the class eggs. Whoever survives the best, keeping the design looking wonderful wins! Please can all eggs come into school on the morning of Wednesday 27th March. Parents are invited to spectate – we will open the main gates at 2.45pm.

I wish you a lovely Spring weekend,

Mrs Bancroft

Headlice

Unfortunately, it has been brought to our attention that we have an outbreak of head lice in school. Head lice are not a reflection of personal hygiene; they can only be passed on through head to head contact. The length of hair is not a factor. Parents need to be vigilant and check their children's hair regularly. Combing with a fine-tooth comb, available from the local chemist, is the only way to check. Comb their hair over a sheet of white paper and any live lice and eggs will show up. If head lice or eggs are found THE WHOLE FAMILY should be treated with a suitable lotion, you can get advice from your chemist. The instructions MUST be followed carefully. The most effective preventative measure against head lice infestation is regular inspection and combing hair with a fine-tooth comb. Please check and treat over the weekend. Thank you for your cooperation.

This half term's value...

RESILIENCE! We have been using the power of singing as a tool for building resilience. The children have learnt 'Raise your voice' and sing it with such gusto and joy. It can't help but bring a smile to your face hearing them sing and dance. Singing is a proven way to release stress and worry, particularly when carried out in a group. We are certainly small and mighty when we sing!

School Lunches

Lunches are cooked freshly to order in our kitchen, therefore please can we ask that you share with your child what has been ordered for them. There have been a number of incidents this week of children saying they won't eat what has been ordered as they don't like it. We are unable to change meals options at the last minute by pupil request.

Dates

27th Mar- Egg Rolling
28th Mar – Rescheduled – Earhart Class visit to Bude Golf Club
29th Mar-12th Apr – Easter Break
