

Warbstow Primary Academy and Nursery

Small and mighty is the Warbstow Way

NEWSLETTER 28 Friday 26th April 2024

Dear Parents and Carers,

It has been a very busy week in school with so much learning taking place. Our Wonderful Warbstow board is packed full of shining examples of work. The children show so much pride in their work and it is always a joy to celebrate it with them.

This week we have given out many awards for super reading practice at home, Earhart Class are absolute shining examples of completing regular reading practice at home! We would very much like all of Paddington and Attenborough Classes to complete regular reading practice at home. The difference it makes is strong. Regular reading practice means that children develop their reading fluency skills, they gain confidence and a sense of 'can do'!

Wishing you a lovely weekend, Mrs Bancroft

Deli Farm Fun Run

Delabole Primary School have invited us to their annual Deli Farm Fun Run taking place on Saturday 25th May 2024 at Deli Farm, Delabole, PL33 9BZ.

Our new term's school value - RESPECT

We are loving our field play and even managed to be out on it every day! Next week we will be using the Football Association and England Football campaigns on Respect. They have some excellent resources about how we can play respectfully.

PTA

A great evening was had at the bingo on Monday. Thank you to the Wilsey Down Pub for hosting and to those who supported the event. We raised over £1000!

Next up we have our annual Bag2School collection on Tuesday 21st May.

Sort through your cupboards and wardrobes and donate unwanted textiles in the bag provided – this can include adults' and children's clothes, shoes (tied together please), hats, belts, handbags and soft toys, (please refer to <https://bag2school.com> for full details). In addition to raising much needed funds it will also raise awareness amongst the children of the benefits of recycling and reuse.

Finally book out your diary for the family fun event planned for Saturday 22nd June. Watch this space for more information.

Headlice

Unfortunately, it has been brought to our attention that we have an outbreak of head lice in school. Head lice are not a reflection of personal hygiene; they can only be passed on through head to head contact. The length of hair is not a factor. Parents need to be vigilant and check their children's hair regularly. Combing with a fine-tooth comb, available from the local chemist, is the only way to check. Comb their hair over a sheet of white paper and any live lice and eggs will show up. If head lice or eggs are found THE WHOLE FAMILY should be treated with a suitable lotion, you can get advice from your chemist. The instructions MUST be followed carefully. The most effective preventative measure against head lice infestation is regular inspection and combing hair with a fine-tooth comb.
