

Warbstow Primary Academy and Nursery

Small and mighty is the Warbstow Way

NEWSLETTER 11 Friday 24th November 2023

Dear Parents and Carers,

It has been an exciting week in school with two lived experiences of our curriculum. Earhart Class visited the rainforest biome at the Eden Project and had a super time! Their tribes were engrossed in finding certain plants and fully understanding their role in a rainforest. They even managed a cheeky play in the new playground there. Attenborough Class experienced life in a Victorian school today. Our classroom was reminiscent of 1900 school life, the children completed the three Rs – reading, writing and arithmetic plus the fourth R religion. They participated in drill, had a hygiene inspection (some passed!) and even had a new Victorian name for the day. Well done Ethel, Peggy, Archibold, Henry, Wilfred, Ada to name only a few for a great day!

And absolutely last but not least, Paddington Class have been our theatrical role models this week, making super progress in the Christmas play. We can't wait to watch it in a couple of weeks.

I hope you all have a lovely weekend, Mrs Bancroft

New drop off and collection arrangements

I have sent a separate letter to families today detailing the new drop off and collection arrangements that will start on Monday. Please do have a careful read of the letter. Thank you for your support.

CURIOSITY

It was such a miserable start to the week, weather wise, that we put our curiosity hats on and enjoyed looking at some photos from around the world that make us marvel... we discussed where we would go on a quick trip and what it would be like there. Most involved some blue skies and sunshine!

Our recommendation

It is that time of the year when we are considering our Christmas gift choices... naturally we would recommend the gift of a beautiful book.
