

Warbstow Primary Academy and Nursery

Small and mighty is the Warbstow Way

NEWSLETTER 16 – 17th January 2025

Dear Parents and Carers,

Science was launched with much excitement this week! As you can see from our photos the awe and wonder in the room was super! Thank you to those of you that supported the experience coming into school. ZooLab's ranger, Emily, was so inspiring and taught us all such a lot. Hopefully you have heard about Lenny, Gary, Sponge Bob, Batman and Robin, Freddy and Jessie and the children have told you all the scientific information about them! We are all set to begin work on our science enquiries for this half term now. It was also a super opportunity for children to channel their values of curiosity and courage. Some brave children really dug deep to hold Lenny the corn snake!

As I type the newsletter I am listening to Earhart Class play their violins with Mrs Tidball at the helm, they are creating music and it sounds great! Attenborough will have a turn after half term.

Some dates for your diaries:

- Open books morning – Wednesday 12th February – a lovely chance for you to come into school and look at the classroom displays and your child's books.
- Music assembly – Friday 7th February 2:30pm – parents of children learning the keyboard and guitar are invited to join our celebration assembly and see your child perform.

We look forward to seeing you on Monday, Mrs Bancroft

This half term's value – TEAMWORK

On Monday we revealed the new Warbstow team kit, kindly provided by Zen (the designated supply teacher agency for Aspire). We are now ready to get out to some community events and wear our kit with pride. We talked about how belonging is an important part of being in a team, a kit helps us feel part of the team but also working together and supporting one another is important.

Dates

30th Jan – Reception and Y6 Height and Weight Checks

7th Feb – Music assembly 2:30pm (for families of children learning the keyboard and guitar)
