Sun Safety

Finally we have seen some sunshine. This means it's time to be bringing sun hats every day and applying sun cream to children before they come to school. It is also important that children have a full bottle of water. We will be making the most of our wonderful outdoor learning areas over the coming months.

We promote the drinking of water at school and have noticed that an increased number of children are bringing juice into school. Please can drinks bottles be filled with water. Thank you.

Household Support Fund

The entitlement criteria for automatic payments from the Household Support Fund is changing. If you have any questions regarding the changes, please DO NOT contact the school. You will need to contact Cornwall Council direct.

In order to be entitled to a payment from the Household Support Fund scheme in 2024, you must be responsible for at least one child and on 3rd June 2024 either:

- be entitled to Council Tax Support or
- have been placed in emergency accommodation by the Council

You will receive £80 per child. If you are already in receipt of Council Tax Support, then you don't have to do anything else – you will receive your payment automatically.

To find out if you are eligible for Council Tax Support, please check the information here <https://www.gov.uk/benefits-calculators> .

You can make a claim for Council Tax Support by using this link <https://www.cornwall.gov.uk/benefits-and-support/council-tax-support/apply-for-council-tax-support/>

It is important that you submit your application by 31st May 2024.

Census Day Lunch

On Thursday, May 16, 2024, we observe National School Census Day, a crucial event where the Department for Education (DfE) gathers vital information from every school. This data aids in future planning and plays a pivotal role in determining school budgets.

One significant data point we must report is the count of Reception, Year 1, and Year 2 students partaking in Universal Infant Free School Meals (UIFSM) on this specific day. The information collected during the census influences the allocation of funding for our school's hot meal program throughout the year. It's essential to note that if your child doesn't participate in the meal service on May 16th, it impacts our funding for the remainder of the year. Should your child opt to have a meal on any other day, we must cover the cost from our school budget, as funding is solely based on meal consumption during the designated census days in October and January annually.

Thursdays lunch is all about the DESSERT! Pupils will have the choice on the day from a variety of desserts, see poster attached. Orders placed via ParentPay.
